Mansfield Destroyers

Owner - Don Lewis

"From the start of our inaugural season we came up with the slogan "We Are Family" as we wanted this team to be about the community. We want to keep this tradition as the Destroyers recognize our season ticket holders, fans, sponsors, host families along with Mansfield and the surrounding areas as 'our family' and we hope they have the same feelings as ours going into the 2020 season," said Owner Don Lewis.

"We look forward to continuing this amazing community partnership between the Businesses, the University, the Community Residents, and the entire Mansfield Destroyers Organization. Together we are One Family!" added Dawn Hull, Executive Director Mansfield Chamber of Commerce.
